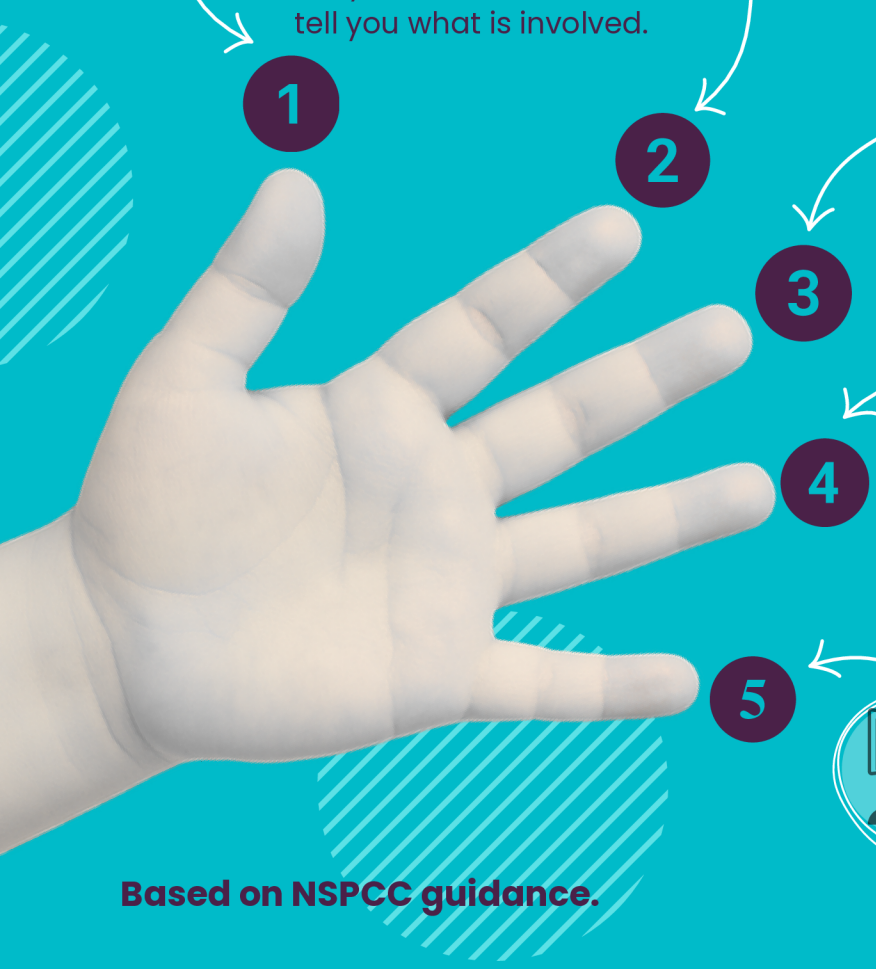
5 QUESTIONS TO ASK BEFORE YOUR CHILD STARTS AN ACTIVITY

SAFE TO PLAY
Say Something if you See Something

Safer sport starts with a conversation. Take a moment to ask these questions. Your club should be able to answer them.



1

Have the staff been checked?

Clubs should have a safe recruitment process for staff and volunteers. They should be able to tell you what is involved.

2

Does the club have a safeguarding policy?

The answer should be yes. It should also be available for you to read, ideally on their website.

3

What happens if there's an accident?

Ask the club if they have a first aider. They should also have your contact details in case of an emergency.

4

Who can you talk to?

All clubs should have a person responsible for safeguarding. They should let you know who they are and how to contact them.

5

What training is there?

Your club can tell you what level of training their coaches have. Everyone should have safeguarding awareness or training.

Based on NSPCC guidance.
